Cris,

Well IT'S been A pretty shitty ending to what I thought was
A good year up until now. I'm sorry your tired of me. I really
wasn't out to hurt you. I would never hurt you on purpose. You have
brought me two of the greatest years to my life. With out
you I would probably been A stomer alcoholic, and I'm Thankful
That you changed my way. We have had many, many great
Times Together. and I can't see how you let some of the
Bad ruin us. You are serious this time and I know it. I know
your Thru with me or you wouldn't have given back my
ring. I should say your ring. I didn't buy it for me I bought
it for you. I still luv you very very very much you really
don't know how I feel, you may think you do but you don't. I'm
very depressed over your decision and I wish you wouldn't
have made but I can't change your mind now. I hope you have
Fond memories of me like I have of you. And I have alot
you were A great girlfriend and I'm not giving up hope. ~~that~~
I'm still hoping we will get back together that is why I'm not
giving you your stuff. But if you want it just Ask. I will
give it back. I really do hope you can be happy now
and maybe your stomach can get better. You better work
hard in softball cause you will go places, and it is A great
way for you to get an education. You can go anywhere. if
you want. Remember how important an education is. If you want to
be rich you're going to need A good job. I'm sure you will make the
right decision. you have A good head on your shoulder. Just use it. Cris you
don't know how proud you have made me over the years. You are
Awesome you really are. I'm losing A great girl and hope you will
Always remember me. I will never Forget you. Cont'd

"Wrapped Up In Spirit"

Everyone here at Kennedy High is wrapped up in the ecstatic pursuit of SPIRIT. From the cheerleaders who enliven the crowd to the D-F's that "broke it out" at the dances. Sometimes you have to rack your brain to figure out what is going through the minds of these zany people. We call Irish, but by the expressions on their howling faces, it must be something wild and crazy!

chant from the senior section at the first assembly. No one could stop the Spirit of '88, certainly not the underclassmen. The seniors were awaited this moment, and it was finally a reality.

Along with the pride, dedication, and spirit of a senior comes the greater responsibility. College testing, college applications, and the thought of going out on your own posed a new set of problems for this year's senior class. Determined to conquer these problems, the class of '88 started out the year.

With their motto, "Knowledge is Power," the seniors displayed their feelings toward education — "We have the answer to success." And who could give a better education than Kennedy High? This year's senior class was truly an elite group. Seniors, you have gained the knowledge, now use it.

That's Spirit!

The 1985-1986 Kennedy Band was a great success again this year. To start off the year, the band won third place in the Silverado Days Parade and triumphantly placed first in the Western Field Tournament on October 23rd. Led by the drum major, Gary Gomez, the band performed at all football games and school assemblies. Whether it be rain or hot, the band was willing to put forth its best effort and enforce the Kennedy tradition. Filling the stands with great spirit makes up much of the pride that Kennedy exhibits! "That's Spirit."

All Wrapped Up In Perfection

It was a perfect day for the perfect dance. The students were all wrapped up in the excitement of the event. The dance was a huge success and everyone had a great time. The students were all wrapped up in the excitement of the event. The dance was a huge success and everyone had a great time.

A winter chill swept through Mandel Stadium on November 9 as the crowd anxiously awaited the special moment. Cheers and screams filled the air as the Homecoming finalists rode by on a British carriage chauffeured by two coachmen. When the carriage stopped, the finalists were helped out and met by their escorts. All of them stepped on to the platform with such confidence and grace, not believing the crowd was actually clapping and cheering for them. Suddenly a silence overtook the crowd and tension could be felt. Finally, the announcer announced what everybody wanted to know. Amy Mays as the 1985 Homecoming Queen. Once again, the crowd burst out with happiness as Amy Mays stepped forward to be crowned by last year's returning alumni. Aline Azavedo. Screams of congratulations could be heard and balloons of gold and white flew into the air to celebrate the occasion.

The Queen's court included Senior Princesses Tracie Bradshaw and Felicia Keith, Junior Princess Julie Nowlin, Sophomore Princess Rachel Pacheco, and Freshman Princess Rachelle Polston.

The moment of excitement was finally over. The scene was just like a fairy tale, so very perfect and sure, with only one star up in the sky to wish upon.

Moment

"Seize the Moment" is a night that everyone will remember. The evening was filled with elegant dining, luncheon, and formal wear. The dance was planned months in advance with careful preparations made by A.S.B. After arriving at the elegant Registry Hotel, many of the couples started off by taking a picture by the ocean view scenery. Those who were there remember the half an hour wait.

After pictures, the couples swiftly made their way to the dance floor and danced to the sounds of Rembrandt. Then the big moment finally arrived, and the most preferred men were announced by Amy Hays.

After the handsome men were congratulated by Amy, the men and their dates lead the next dance.

Sophomore Enthusiasm

The enthusiasm of the sophomore class was evident from the moment they stepped onto the school grounds. The students were full of energy and excitement, ready to embrace their new challenges. They participated in various activities, from sports to academic competitions, showing their dedication and skill. The school community was proud to welcome them and support their endeavors. The sophomores' enthusiasm was a source of inspiration for the entire school, setting a positive tone for the year ahead.

David Christensen

As a second semester freshman coming to the very large school, John F. Kennedy High School, I remember being so excited and so scared. My first year I wasn't into much in the way of activities because I didn't know anyone. Beginning my sophomore year I really began to learn what Kennedy was all about. I was involved in the house meetings, ring committee and worked on many committees in student council. As a Junior I was I.O.C. President and was in charge of all clubs on campus. I served on the Junior Prom committee and was chairman of the blood drive. At this point and time of my life, I began to realize how much I cared for the school. It had become my life. As a Junior I was asked to serve on the accreditation committee and several other committees that the new Principal had organized. For the first time in my life, I began to realize what it meant to give of myself for and beyond the call of duty. As ASB President I became scared of the awesome responsibility that was before me. I plan on making my senior year the best of my life. The experience's I have had in the community, the church, and now Kennedy has made me what I am today. I am grateful for the opportunities that I have had, and plan on using those experience's to make this world a better place to live.

Miss Irish

John F. Kennedy High School means more to me than just academics. For the past three years, I have not only received a fine education, but I have had the opportunity to participate in extra-curricular activities and community services. Although study habits are most stressed, leadership and compatibility are other qualities that have been taught to me and many others. Learning and participating in many activities at Kennedy has enabled me to become a better person.

Being selected to the John F. Kennedy Student Council in the ninth grade began my participation and interest in extra-curricular activities and school and community services. I have obtained many leadership qualities and have learned how to better serve my school and community as a result of a four year membership in Student Council and memberships in clubs such as CSF and the Key Club.

Since Kennedy High has opened so many doors to a successful future for me, I feel that I am ready to attend college and pursue my career. I am very thankful to have been given so many opportunities at Kennedy, and I hope that achieving my goals will serve as a "thank-you" to my high school.

Gina Meneilly

Kathleen Berdis

Education has been very important to me. I have maintained a high GPA of 3.87 while taking honors classes in various subjects such as English, history, chemistry, biology, government, and much more.

I have played on the school softball team since my Freshman year. I have played on Varsity for the past three years.

Over the past few years at JFK I have been awarded several honors. A very special accomplishment was winning the 4A CIF title. This year I have been nominated and selected to be the Student of the Month for December.

I am glad I have spent my last four years of high school at JFK. This is because John F. Kennedy High School has left me with many special memories, friendships, especially with teachers, and a definite start to my life ahead. Good luck 1989.

Monica Casey

Reflecting on my years at Kennedy, I realize that I have received two kinds of education. My family has greatly contributed to my learning about myself and relationships with others. Teachers and administrators have taught me to strive for perfection in attaining my goals. Kennedy introduced me to extra-curricular activities, as well as high academic goals. Although I was involved in Varsity Volleyball, Varsity Track, CSF, Class Home, and Student Council as Class Rep, I maintained a GPA of 3.75 and was in the top 10% of my class because of their care. From this involvement I have gained leadership skills that enabled me to volunteer at special youth groups. Being involved gave me many special friends and memories that I will cherish forever.

Jennifer Clee

My years at Kennedy H.S. have enriched my life greatly. These past four years have brought many new experiences and many close friendships. The faculty and administrators have shown me the importance of a solid education. As well as academics, I have spent much time being involved in extra-curricular activities. Drill Team has taught me responsibility, self-discipline, and how to work with others. Student Council has given me opportunities to get involved with my class and the student body. Thank you to all my friends and family for encouraging me to be the person I am. I would like to wish my Senior class at the back in the world to achieve their goals and dreams.

Looking back through the kaleidoscope of memories from the last four years at JFK, the experiences have come and gone quickly, but the friendships and understandings that I have gained will be life-lasting. Immediately in my Freshman year, I was selected as a member of the Colleen Drill Team. Traveling to Ireland and representing my school was the greatest experience throughout all my high school career.

My Senior year has been the grand finale. Starting off the year, I was selected as the Head Drill Team Leader, a Senior Leader of Performing Dance and Assistant Chorus member in West Side Story, which gave me many responsibilities. These years wouldn't have meant as much to me without the support of family and friends. God bless you all. Good luck Class of '86.

The Struggle

The 1985 fighting Irish were a representation of what being a team is all about. While competing in a league dominated with teams of superior size, speed, and talent, the Irish were at a great disadvantage. Not blessed with the talent or abilities of their opponents the team pulled together and demonstrated the biggest hearts in the league. As individuals they committed themselves toward giving their all for the team. As a team, they came together and pledged a maximum effort. This was demonstrated each week as the Irish earned a reputation as an aggressive hard working team.

Intense Desire To Win

The 1985 IRISH Junior Varsity Football team finished the year with a record of 4-6. This years team consisted of primarily sophomores with a few juniors and seniors sprinkled in.

The team started fast with wins over Orangeview and Western before stumbling to Fullerton, El Dorado, and Cypress in close, hard hitting games. The team rebounded to rout Katella and Los Alamitos before injuries and lack of numbers took their toll. This years team showed an intense desire to win and the IRISH pride of not giving up. With an off season of weight lifting and fundamentals, the future looks very bright.

After a slow start, the Freshmen Football team finished 5 wins and 2 losses in league and tied for second place in the rugged empire conference.

The highlight of the season was the showdown with a powerful Esperanza Squad. This was a must win for the Frosh. Unable to move the ball on the ground against the larger Aztecs, The IRISH unleashed "AIR KENNEDY" and crushed them 27-6.

Outstanding players were Dan Coburn, James Martinez, Jin Han, Steve Rath, Pete Montero, Ray Townsend, and captains: Brian Hammond and Greg Hensell.

The team was lead by coaches Farr, Plunkett, and Samples.

"Strive for Five" was the motto of this year's 1985-86 Boys Varsity Basketball team. Under the experienced coaching of John Mayberry, the Irish looked forward to its fifth trip to CIF, and a chance at defending their Empire League Title. Frustrations, close games, hard work, and victories comprised the tone of their league competition. Co-captains Darrin Queen and Danny Curry and returning letterman Glen Mares led the team in both offensive and defensive play. They were helped by first year varsity players Wendell Lauderdale, Danny Davidson, Jeff Howe and Jeff Hansell. Sophomore Michael Keith set a school record for most defensive rebounds in one game. Robert Harding, Dave Esparza, Kyle Bernard, and Steve Kim were the defensive stoppers. After a disappointing start, the Irish rebounded to four games in a row. Practicing hard they attained their goal of a team shooting average of over 50%. Outrebounding nearly every opponent, the Irish were tough competition in every game. Coach Mayberry utilized all of these skilled and talented players and pushed the Irish to their utmost playing abilities.

"Firm Believers"

1985-86 Girls Varsity Basketball Team

With last year's first record of reaching CIF, the 1986 Girls Varsity Basketball team started off with hopes for achieving to the tops. Deena Masumiya, Ursula Lovely, Dena Davidson, Nora Masuo, Kim Tawa, and Ronlyn AhNee were the returning lettermen who expressed multiplicity of talent and potential in the courts. With firm beliefs of going all the way, the Irish girls strived by trying and never, ever giving up. The Irish's huge success in their aggressive defense is due to Coach Carter, who started her first year this season at Kennedy. Coach Carter is certainly the reason for the success of these girls' potential and skill. Their minds were set to achieve for no less than the tops, and captains Ursula Lovely and Dena Davidson made sure that they do it with pride. As returning letter Deena Masumiya says, "We are firm believers and we'll never give up until we win." This statement definitely says it all.

Never Giving Up

This year's Varsity Volleyball team ended up with a 3-11 record in the league. Their hard work, determination and talent paid off when they achieved a fifth place standing in the league. The following students earned awards: Ree Rabune, Most Inspirational; Ree Rabune, All Empire League; Kathy Conner, M.V.P.; and Yelena Vucurevic, Most Improved.

Coach Burns expressed — "A promising season was stalled before it could get started as two three year starters (Casey and Rabune) went down with injuries before league play began. The Varsity did manage to capture a third place spot in the twenty team Artesia Tournament before league play started. The young women displayed a willingness to work hard and never give up, even though the odds were against them. Next year promises to be better as four juniors, who are now battle-tested, return."

The Junior Varsity Volleyball team played with determination and lasting endurance, completed the season with a 10-8 win/loss record. The success of the team should be commended to Coach Rabune who spent and dedicated hours of work to team practice and towards helping individual players. Awards were given to Denise Dawson — Captain, Stephanie Sacco — M.V.P., Carolyn Brown — Most Inspirational and Jenny Stoehr — Most Improved. The following statement was given by Coach Rabune. "[It] was a positive season with everyone improving their skills. The girls had a winning attitude and worked together as a team — they had Irish pride to the max!!!"

The 1985-86 year saw a large improvement in the JFK Wrestling program. At press time, the Varsity team was 13-1 in dual meets. With tournament championships at the "Gahr-10 Way", "El Rancho" and "Gahr-6 Way" tournaments. The captains for this young team were Sophomore Baltazar Ortega and Junior Andy Reyes. Both demonstrated fine leadership and were instrumental in the teams success. Wrestling has a secret to success . . . it's answer is **H-A-R-D W-O-R-K!** The team ran 3-6 miles at 7:00 a.m., then practiced 2 hours in the afternoon on developing technique, speed, and ability. Many of the teams members wrestle in A.A.U. tournaments in the spring, then summer league. Goals — if one is good enough: A college scholarship — travel — possible olympic competition. The serve is strong and the return is stronger. Captain Michelle Tenney speeds to the net and with fierce power, the ball smashes to the other end of the court, away from their opponent. Another successful play performed by the Kennedy High girls Varsity team.

With high expectations, in her second year of coaching Marilyn Schultz spearheaded the team, placing the Varsity girls team in an improving fourth place in the league. Although they lacked adequate equipment, the girls played long hours from two to four a day. With Michelle Tenney as lead player and Marni Matsumoto as second, the team approached their way to the top, until they faced an uncomparable obstacle — the Cypress Centurions. Instead of dwelling over the fact that they could not overcome this team, they practiced with devotion and bounded their way to a strong fourth place

Coach Schultz credited many players who made a considerable difference to the sport of tennis.

All Aces!

This year's Boys Varsity Tennis Team succeeded with determination and effort. The team practiced hard and worked to their limit. There was competition, stress, and, of course, some fun. Although each person worked to improve his own skills, they were still a team out on the courts. They smashed, served, hit, and used their skills well. They put in many hours of practice and did their best in each game. Part of the credit goes to their coach, Coach Tenney, for helping the team on their skills and for her dedication of time. Each player had an encouraging attitude that backed them up to the top. Not only did they win for themselves, but for the entire team, which gave them an outcome of satisfaction.

The team achieved and received what they wanted, and led themselves to victory.

Lovin' It

With wholesome dedication Bill Berger, the advisor/coach of the 1984 Junior Varsity girls tennis team brought together a group of willing and devoted girls to play a fun and skilled sport of tennis. With hours and hours of practicing from each day to each week, the JV tennis team just as the Varsity team, placed a positive fourth in the league.

Most people were not aware of the effort and time it took the girls to become strong players. Lengthy hours of drills were spent on improving their game. With Sherry and Lisa Le, the team strived their to the tops. In spite of the odds against them, the team as a whole, made significant contributions to the league and although they didn't reach the highest rank, they came closer than others thought possible.

To recognize individual and team effort, many awards were given out. Among these awards were; M.V.P. Offense — Kristy DeMont, Defense — Julie Zevenbergen, and Most Improved went to the team's only Freshman, Christine Erickson. Kristy DeMont along with Julie Zevenbergen made the all league teams.

It's A Goal!

Oh What A Feeling

The J.V. soccer team definitely had some talent this year. Coached by Mr. Ward, the team practiced five days a week, three hours a day. The Frosh/Soph team also did very well. These players had soccer on their mind seven days a week, twenty-four hours a day. The games were usually on Tuesdays and Thursdays, starting at about 3:00. The boys did well considering all the problems and newcomers. They did the best they could to come out on top.

Girls J.V. Soccer

This year's Soccer team got off to a good start, with Mrs. Raburn as coach and the rest of the team the rest of the team they played awesome! The most valuable player was Issy Gyde, she was also named most valuable offensive player. The most improved player was Claudia Lopez, and the most valuable defensive player was Nicole Backes. With the help of these valuable players and the rest of the team, the Girl's J.V. Soccer team were a hit on the field!

The 1985-86 varsity water polo team did a great job this year. They showed tremendous effort in their daily practice and at their meets. The C.I.F. was just a step away for them. The varsity water polo team certainly has the stamina and pride it takes to make a winner. The freshmen water polo team also displayed spectacular spirit this year. The 1985-86 freshmen water polo fought bravely for League Championship.

Not Intoxicated, Just Chlorinated

It takes true guts to step into the freezing cool pool at Kennedy High. Yet time after time the J/V and Varsity Boys swim teams went through it all. Coached under Susan Hurley and Mark Till all the cold dips paid off. With a small amount of returning lettermen, M. McMahon, A. Oh, B. Freedman, T. Anderson, the boys team had a lot to congratulate themselves about. The Boys JV team was all new, but had many exciting things to say. Hopefully all will return and the teams will be better than ever.

A Step Ahead!

Kennedy Cross-Country

Taking off like a rocket to the moon, the Boys Cross-Country team ran its way to a level of competition far exceeding that of its predecessors. The team was led by Seniors, Danny Nichols, Jeff Walsh and David Negrón. Never knowing the meaning of the word "exhaustion", the team could be seen practicing long after the last class of the day, running around the grand city of La Palma.

Similar to the goal of the Cross-Country Team, the Boys Track Team went through the season with one thing in mind, to win! With such superstars as Senior sprinter Steven Astle and multi-talented athlete, Darrin Queen providing the emotional support for the team, this year's track team ran its way to victory.

Running Like The Wind!

Kennedy cross-country makes their move to the finish

Knowing and understanding the stiff competition that lurked in the annals of the mighty Empire League, the female portion of the track and cross-country teams dived into their perspective seasons head first, mixing it up with Orange County's best! Ureula Lovely showed the high-flying track society who was boss, turning in fine performances at the high jump bar while, Rachael Dealva of cross-country fame, ran like the wind, leaving everyone who watched her in awe! But, in typical Kennedy fashion, everyone in both cross-country and track pitched in to form the ultimate running (and jumping) team, giving every opponent they faced a run for the money.

Swinging for the Fences

The 1986 Fighting Irish Baseball Team will take on a whole new look in '86 in an effort to return to championship play.

First year head coach C. Pascal and assistant M. Olson will strive to teach fundamentals as well as knowledge of the game as the Irish prepare to compete in Southern California's toughest league.

Paced by returners Glenn Mares, Joey O'Brien, and Todd Bristow, they will be joined by Mark Roach, John Christensen, John May, and freshman Steve Rath as the Irish try to turn things around in the spring of 1986.

86 Varsity Baseball Team Back Row: Todd Bristow, Joey O'Brien, John Christensen, Glenn Mares, Robert Wilson, Mike Shipley, Dave Christensen, Flint Lafferty. Front Row: Coach Pascal, Steve Rath, Chris Huston, Toby Wong, John May, Don Gregory, Andy Lipe, Mark Roach.

QUEST FOR VICTORY

1) seniors express their spirit. 2) 1985-1986 Varsity Softball. 3) getting ready to make a run for it. 4) Connie Wagner, Vivian Lopez, and T. Franklin take a breather. 5) Coach Iverson. 6 go ahead, make my day.

Kennedy Varsity Softball has started out the year in their quest for their third straight Empire League Championship. At the time of press, their record is 17-1 and 5-0 in league. The team is composed of 6 seniors, 1 junior, 3 sophomores, and 3 freshmen.

Hit By the Pitch

The J.V. team this year is composed of many new faces. Returners Rich Garcia, Brian Bowerfind, Mike Dowd, Scott Pool, and Jason Smith anchor a team comprised of one freshman, Jeff Hansell, three young men who have not played for Kennedy before Brett Helper, Jack DeLaquil, Chuck Lindquist, and John Varga, and sophomores from last year's Frosh/Soph team, Mike Correa, Jeff Murakami, Jeff Hulme, Bill Huse and Jack McConnell. The combination of youthful enthusiasm and "crusty" veterans seemed to work quite well as league play started with 2 wins over El Dorado and Kate a and a loss against Cypress. The team should make a good showing with that promising start.

The 1986 Kennedy Badminton Team began its season with high hopes of repeating their past successes. With five league Championships behind them, the Irish eagerly looked forward to another winning season. Under the experienced coaching of Pam Simmons, the comparatively young team of Varsity players quickly became conditioned. Their long hours of practice and hard work hope to bring the Irish yet another championship season.

Clubs

CSF

This year CSF (California Scholastic Federation) members participated in a variety of community activities, fund raisers, and fun field trips. Members volunteered their services at the La Palma International Days Carnival, raised money by selling M & M's, and visited a college. The club officers and all the CSF members would like to thank Mr. Arakawa and Mrs. Greer for being such supportive and caring advisors

FBLA

Future Business Leaders of America helps to give its members an edge when stepping into the work force by getting members involved in the different areas of business. Some of the various activities of FBLA are running the student store, and a type-a-thon. In March, FBLA members were involved in the Competitive Events Conference where they showed their various business skills such as: business math, business communications, accounting, typing, word processing, data processing concepts, essay, public speaking and many others.

KEY

One of Kennedy's most active clubs, Key Club offers its services to Kennedy and the surrounding community. Among the activities to which Key Club members have donated their time and services are the city's annual Halloween Carnival and Santa's workshop, where members wrapped gifts and helped children write letters to Santa. Members also brought cheer to the elderly at local convalescent homes, raised money for the P.T.S.A. fund raiser and ushered holiday in music. For its outstanding contributions to the school and community in 1985-86, Key Club was awarded the title "Club of the Year".

Cultural Experience Club

Cultural Experience Club members spent their time bridging the gap among the various nationalities at JFK. Under Dr. Corkum's guidance, the new club helped foreign students feel more at home while exposing Kennedy students to other cultures. The club hoped to raise money for various charities, planned field trips and listened to guest speakers.

Asian

Of course you need not be Asian to join the Asian Club! This year, like any other, people of different cultural background joined the club. The main objective of the club was to bring students of Asian descent together to socialize with one another. Throughout the year they planned some fund raisers, such as participating in La Palma Central Park's Halloween Carnival, having a candy sale and having a refreshment stand at Christmas time. They even planned to have a luncheon for the teachers.

The club officers were John Takaki, President; Andy Ahn, Vice-President; Sheri Yamanishi, Secretary; and Kathy Inouye, Treasurer. With four capable officers and Ms. Ragusa (advisor) everything that was planned was done!

Some club members have their fun

What is the Diatl Club? Diatl Club is an experience for those students who are planning a higher education. The club visited UCI, USC, and UCSB to complement their knowledge about these various college campuses. They were given a campus tour and then let loose to explore the campus' everyday life. They got a better idea of a student's living matters and studies. From visiting these several colleges, the Diatl club's purpose was fulfilled for the year.

The club officers were Brian Box, President; Dena Davidson, Vice-President; Sheri Yamanishi, Secretary; and Kelly Kitajima, Treasurer. Mr. Haynes (advisor) and the effort of the officers made it possible for the club members to go to these colleges.

Choral

The Choral Club led by Mr. Hoshi performed in many musical extravaganzas throughout the school year. The Drama Club Spring Musical gave the club an exciting start. They sang many different types of music ranging from traditional to contemporary. Overall Choral turned in an exciting and fun filled year.

Drama

The Blarney Stone Theater served as home to the drama department. Mr. Till headed the department for the second year, in which time the department has grown astronomically.

Drama produced a number of plays through the year, "Our Town" and "Westside Story" being among them. Drama also participated in other activities, such as a football game against the band, and a servant sale, where students, teachers, and parents were sold to the highest bidder.

Giving A Little T.L.C.

A child care class led by Mrs. Campbell and many of her TA's helped little children with crafts, stories, and playing on the toys. Everyday the children would learn to make such things as Santa Claus bells, puppets, etc. The TA's would make them lunch each day and would tell them a story to go home and tell their parents. This is the first year that the Child Care has been seen in the Yearbook and with the help of Mrs. Campbell, her TA's and these wonderful kids this class will be in the Yearbook more often in the future.

To Ski Or Not To Ski?

The ever adventurous Ski Club was pretty much wrapped up in planning a one day to one week type ski trip for this winter and upcoming holidays such as the trip to Utah and its breathtaking resorts which consisted of Alta, Parkwest, Parkcity, and Sundance. This trip took place over Christmas vacation. During President's Holiday, in February, there was a trip to Bear Valley; and during Easter vacation there was a trip to Colorado. With Mr. Emery in charge and Jenny Waldkirch as president of the club and Cameron Evans as captain of the racing team, the ski club got off to a good start.

IN THE HOUSE

Ladies and Gentlemen . . .

House: the community or students in residence. This is how Webster's defines the word House. Some of you folks out there might not think that those House meetin's are just nothin'. Well, you're wrong. The House meetings are a very integral part to the many high school traditions that our dear ole Kennedy values so highly. Without Senior house, there would not be any Senior Skate Night. Without Junior House, no Prom, or Winter formal. And without Freshman and Sophomore House, they'd be pretty bad off. There you have it, the House meetings, "In The House".

THE SENIOR HOUSE: Andy Ujue, Joanne Hsu, Grace Tanji, Kathleen Inouye, Michelle Pagan, Tina Edmond, Toby Wong, Kelly Kitajima, Nora Masuo, Sheri Yamashita, Sonal Patel, Reshma Vasanwala, Mike Ferraz, Maria Cheng, Jennifer Smith, Danny Nichols, Janet Nakao, Terry Ramirez, Liz Farkas, Kim Tawa, Kathleen Berdis, Brian Box, David Esparza, Kim Evans, Andy Kim, Kathy Fenton, Jennifer Gloe, Brad Freedman, Monica Casey, Tracey Newton, Angela Coletta, Truph Patel, Gina Moreno, Amy Mays.

The JUNIOR HOUSE: John Christenson, Casey Rayfield, Andy Reyes, Heather Meadows, Jason Watson, Millie Paik, Dana Matic, Joy Massey, Julie Nowlin, Ann Mannriquez, Wendy Johnson, Erin Toth, Ahnita Kim, Deena Masunrya, Lori Hunt, Thu Nrygen, Robert Quon, Lisa Sakota, Stacy Hedson, Kristi Lind, Nikki Teth, Kern Robinson, Lisa Lucero, Blake Davis, Tom Anderson, Susanne Granito, Mark Roah.

CHESS

This year's chess club members could be found spending numerous lunch periods in room 26. Acting supervisor was Mr. Bertoni. Club officers were Tom Kwon, President Dan Cowles, Vice President; and Craig Cummings as Treasurer. Locked in combat, members battled on opposite sides of the chess board to trap the king. Members enhanced their chess knowledge and playing ability by competing with others of equal skill. They also took advantage of the opportunity to play computer chess.

The Subjects

Tina, Darcy and Ken keeping cool under pressure

There is definitely no place like the Yearbook room (#49) at the nearing of a deadline (D-Day). People are not their normal selves. No one really knows how much hard work it is to be on the Yearbook staff, you must draw a layout, take pictures, write copy, know everyone's name on your page, and when it's all turned in you pray to God it comes out alright. I'm not saying Yearbook isn't all fun because it is, but a lot of hard work too! Leading the adventurous staff this year was Editor, Jenny Waldkirch, Photo Editor, Ken Scott and Advisor, Mr. Bob Maib. Besides all the trials and tribulations over the yearbook, the staff is one big happy family, and it's all wrapped up in a lot of hard work and fun times.

LIFELONG EDUCATION

FACULTY

Working for a better tomorrow

A school year means so many different things to our students. It is the beginning for some, while for others it is the end of a four year experience. Many of our students take full advantage of the opportunities provided by our great high school. Each student makes the decision what type of experience it will be. It can be exciting, enjoyable, fulfilling, educational, and worthwhile.

You have the same opportunities in life! It is my hope that you have taken advantage of the experiences at Kennedy High School to prepare yourself for the exciting future that lies ahead. Everyone at Kennedy wants you to succeed. You will always be a member of the "Fighting Irish" and our hopes and dreams go with you. Good luck!

Warren Stephenson, Principal

1. Always ready to lend a helping hand, Dr. Stephenson aids Mr. Peterson in resolving a question. 2. A stack of records and forms are all but unfamiliar to the Dr. 3. Capital punishment, well maybe. 4. Just one of those days. 5. No rest.

Guidelines

The people behind the relations. Teachers to students and vice-versa. We're talking about the counselors. The fantastic, indispensable, courteous, friendly, and professional counselors. Ms. Jordan, Mr. Driscoll, Mr. Fox, and Mr. Weist have helped and guided our students successfully toward graduation and post-graduate study. Mr. Lee and Mr. Mayberry have also aided in introducing the students with the real world by offering Work Experience and ROP courses.

1. Ms. Jordan and Ms. Kreitz enjoy each others company during lunch. 2. Just as Mr. Mayberry thought he going to get away clean. 3. New counselor, Mr. Fox, is ready for anything even social stuff. 4. Wait, let me take my glasses off. 5. Is my hair okay? 6. Did you want something? 7. It's not dead yet.

Things That Last Forever

The 1985-86 English Department did a great job in supporting their students this year. Teachers worked hard to prepare their students for the proficiency tests needed for graduation. Our English teachers really put forth a great effort into helping us do our best. The History Department studied cultures, agriculture, climate, religion, and different life styles around the world. Students also learned how the government operates. Our Government, History, and Social Studies classes made learning fun-filled and interesting.

1. Mr. Morris gleefully yells, "Yes! You're getting a detention!" 2. Mr. Peterman, ashamed as he is caught in the act of insulting

Brainstormers

In this years Science and Math Department, students were learning to go farther in the math and science field. The students here at Kennedy were offered in the science classes Biology, Chemistry, Oceanography and Life Science etc. . .

In the math classes the teachers taught the students Algebra, Pre-Algebra, Geometry, Consumer mathematics, Trigonometry and many more. With the help of these math and science teachers, the students who leave to go in the future will have a good knowledge of these two subjects.

1 I really don't know 'em honest. 2 Look we've been through this before. 3 Well, hello dere. 4 Oh, ya

In Appreciation To . . .

The Physical Education Department didn't just teach how to clean your fingernails and comb your hair, it gave the students here at Kennedy the opportunity to get involved in such sports as Basketball, Baseball, Volleyball, and Weightlifting.

The Health and Drivers Education classes were also devoting their time to teaching students about C.P.R., Drug Abuse, and the disadvantages of drinking while driving.

The Special Education Department also gave their time and effort in helping those students who needed a little more help than others. You could say this is not just a class it's an adventure.

1. Look out Hulk Hogan! 2. And over in this corner is . . . 3. ARE YOU KIDDING

4. "Hey yo, I said sit down." 5. Mr. Olsen giving us his Full on stud look 6. Sunshine on Mr. Hill's shoulder makes him smile 7. I've had my Crest checkup! 8. Awa, you got my good side!

Getting Down To Business

The Business Department has been a valuable help to Kennedy students. The Business teachers taught accounting, typing, model office and shorthand. With this knowledge, our students will go far in working in the future.

In the Photo classes Mr. Maib teaches his students to develop and print pictures as well as learning to use the camera.

One of the big events in Fine Arts was using plaster over each person's face and with that making a mask or creature etc

The Foreign Language classes have also helped in teaching students different languages which will help them a great deal in life

7 "Not gum on my chair again!" 8 "Who's Madonna?" Doesn't anybody listen to Julio Iglesias? 12 Mrs. Jensen showing us that this boy won't be talking for the rest of the period

6 Mrs. Whamson telling a student to kindly be quiet. 7 The New Home Economics teacher on campus. 8 Just eat it! 9. Having one of those days Mr. Maib? 10 Yeh that was real funny

Mrs. Imelda Drake

Mrs. Lope Gutierrez

Working 9 to 5.

This year 85-86 was a great year because, the school had such wonderful secretaries and Aids. They're always there to help out when a student needs a readmitt etc.

Now it makes it a little easier for the secretaries because they have adopted a new computer, his name is Ben. Ben helps out the Attendance Clerks by calling home to a students house if it is not known where the student is. Let's give a hand for the secretaries and Aids for their valuable time and effort.

Clean Sweep

The custodial and cafeteria staffs are the miracle workers who keep the school on its feet. The true backbone of the school, since the, behind the scenes workers are the ones who help make the system run so smoothly.

The custodians work late hours keeping the classrooms and grounds clean. These euthenists ensure that the JFK campus will never become a quagmire of filth stench and decay.

The cafeteria staff also works hard, preparing food each day before school and at lunch. With many students depending on them, they make sure that the cafeteria is ready for the maddening throng. After the thundering herd is through, the staff spruces up for the next day.

All of these dedicated workers put pride in their work and deserve our utmost respect and recognition.

Wrapped Up

In The Beat

Music is and will always be a part of American life. You must admit, teen-idolizing is really how most of us get into music and musicians. If this weren't so, why would there be so many Madonna-wanna bes? Music surely influences the way certain people dress, act, or think. It sets the fad and sets the pace. Music is positively the thing everybody loves, for it even saves the lives of millions!

1 Pete Burns of Dead or Alive made it to the top his own way 2 Wake up to the Alarm they'll be ringing in your head all day 3 The Cure is there even in In Between Days 4 Rock and roll bad boys Motley Crue 5 She may have an impressive image but she isn't known as someone's daughter but as Whitney Houston 6 It's not any old mode It's the Depeche Mode 7 Scritti Frenchie Don't worry I don't understand either 8 Wham! Make It Big as the first major pop group ever to play in China 9 Five Star is not another Jackson Five 10 Arcadia's brunette bombshell Roger Taylor Simon Le Bon and Nick Rhodes 11 What does Madonna wannabe? Like a Virgin? Fat Chance 12 Exotic looking Nigerian born Sade reached the top with her LP Diamond Life 13 It takes a stubborn Irishman to pull off something like Live Aid Bono says about Bob Geldof 14 Things Can Only Get Better with Howard Jones 15 Big Audio Dynamite is BAD 16 After Hunting High and Low Hmm Hm Hee A-ha Norway's A-ha conquered the U.S. and worldwide charts with their smashing success 17 Tears for Fears Shout a little louder 18 Thompson Twins would give being King For a Day all away Would you? 19 Paul King doesn't have to worry about anything, as Love and Pride can go no higher on the charts

Stars Of Our Time

This years all-star cast seemed to be full of cheer and pizzazz. In the sports area we have the Hulkster who has proven to be one of America's finest wrestling athletes. Also we had the Chicago Bears, who shocked the sport's world with their Super Bowl victory. Hitting the headlines again was the likes of the Cosby Show. Movies proved to be popular this year also, with the likes of Rambo and Rocky IV. Also hitting the headlines was one of movies most beautiful actresses, Lisa Hartman. Don Johnson also proved to be the ladies man of the eighties. 85-86 has seen a very exciting year of people

Wrapped Up In Events

The year 1985-86 was one of many events. Hunger was still at the top of everyone's list. During the past summer, Live Aid took place, the largest gathering of musical talent that spanned the globe. It raised millions for famine relief. President Reagan had a historical summit meeting in Geneva with Soviet leader Gorbachev. It was also the year for the reappearance of Halley's Comet. Although it sounds like 85-86 was a good year, with the good comes the bad. A tremendous earthquake shook Mexico, devastating the country and killing thousands. There was also a volcanic explosion down south Colombia. This wiped out many small towns and also killed thousands. American tourists were not safe anywhere abroad. First was the hijacking of TWA flight 847. Then came the hijacking of the ocean cruiser, ACHILLE LAURO. Both of these ended in the deaths of two Americans. There was another great loss suffered by America. The space shuttle Challenger exploded in mid-air, killing all seven astronauts aboard, one of who was the first civilian in space, Krista McAuliffe. Tragedy has struck the home-front hard, but America will keep forging towards a bigger and brighter future.

SHUTTLE DISASTER

Reagan expresses his condolences

A chunk of the shuttle is recovered

The crew of the Space Shuttle Challenger

On a beautiful sunny day, millions of people watched with anticipation as the twenty-fifth space shuttle mission, Challenger was to be launched. Aboard the shuttle were astronauts of a special kind. They included people of every race, color, and creed. This mission was unique in that it would include the first civilian in space, a teacher. Christa McAuliffe, Francis Scobee, Judith Resnik, Ronald McNair, Michael Smith, Ellison S. Onizuka, and Gregory B. Jarvis were explorers for humanity. They had a hunger to investigate the universe and discover its truths. They trained painstakingly for their mission in hopes that they would accomplish the seemingly impossible. Dedicated in her efforts, Christa McAuliffe was a representative of all ordinary people. She wanted to discover the mysteries of space, and teach them to her children. The month of training came to a climax as the day for liftoff arrived. The people watching across the nation prepared to cheer as the takeoff got underway, but their cheers turned into silent stares as they watched the explosion in a state of shock. January 28, 1986 would be held in memorium and a place in our hearts set aside for Americans, who were a part of the Challenger crew.

In Memory of . . .

In 1969, Mr. Paul Driscoll arrived at Kennedy High School. He was to become not only a respected counselor, but a friend both to colleagues and students. Mr. John Hangarther who has worked with Mr. Driscoll for seventeen years said, "As a counselor, Mr. Driscoll was totally dedicated to helping young people with their problems, educational plans, and future careers. As a colleague, he was sincere, conscientious, and had a great sense of integrity. He had a fine relationship with his fellow workers, and was a true professional in every sense of the word. Paul was also a fine family man who provided for the best for all of them. He gave of himself to all who knew him."

Paul M. Driscoll began his early career as a junior high school instructor in Michigan, 1957. Then he proceeded to high school teaching in the field of Adult Education Psychology. Anaheim High School District was the backbone of his career at which he has settled in for 23 years; 17 of those, he has spent at Kennedy.

Along with his expertise in counseling, Paul Driscoll found a liking in salesmanship and management. At nearby Knott's Berry Farm, Mr. Driscoll managed the "Bob's Men Shop" in the evenings for 18 years. Though as busy as his work schedule seemed, Paul Driscoll was always there for his wife, Betty, and his 2 children, Brad and Beth Ann. All in all, Paul Driscoll was definitely a fine family man. He loved his family with all he's ever had and he's always placed them in front of anything else.

During the last week of January through the first days of February, Paul Driscoll was hospitalized for Hepatitis, an inflammation of the liver. Then on February 6th, 1986, Paul Driscoll died at the Placentia Linda Hospital from his recurring illness, at the age of 51. His death was a shock to all; friends, family, colleagues, and especially to the students who weren't very informed of this illness that he had had. A very beloved counselor had passed away; Paul Driscoll will be dearly missed and remembered by all.

Paul M. Driscoll

The Ultimate Guy

My brother, Dave has been a big influence on my life at Kennedy. He is the nicest and best brother anyone could ask for. He is always there when I need him and he is always willing to do things for me. I look up to him as a big brother and if it was not for him I probably wouldn't be where I am today.

Love John

There is no way I could tell you all about Dave and the rest of the B.B.'s. good times in such a short space. Dave is a lot of fun to be with. He likes to do things at the spur of the moment. Dave is a good athlete and also shows great leadership abilities. I'm sure that he will be around long after high school years. Take care Dave. Love you bro. (Darrin)

Dave, you have been a great friend. I thank you so much for being there when I needed you, and even when I didn't. We have had exciting times to say the least, at Kennedy and the good times continue. I'll always remember the many crazy times we've shared like the intermission of the play, racing across the field, or getting stranded in Anaheim. We'll have to climb some more mountains and crash in on the New Years parties or just cruise around and talk. Some special times have passed and I'm sure we'll be sharing more. Love Joey

Dave C., I would have to say I've seen him in every kind of situation. Dave is the kind of friend you can always count on. He's always there when you need him. He always makes the best of everything. If I had to sum

Dave up in just one word, I'd have to say just plain old "TERRIFIC" Chris

I could write a novel about the memories Dave Christensen, our friends, and I have shared. Dave came to this school his sophomore year and we got introduced. From then on we were great friends. He is about the nicest friend anyone can have. He is in our best friends group we call the B.B.'s. His nickname is DRNKN. He is a great all-around guy, good athlete, friend and person. He's the type of guy every person's mom wants around. I know Dave and I will be friends long after high school. I know Dave is going to go far in his future and I wish him the best of luck. A Material Girl

She loves McDonalds, pink moose, Corona's, M.F.V., Chad and me. She worries me, makes me laugh, gets me angry, makes me proud, and I love her for all these things. She's my Jenny Mom.

Jen, What can I say... we have many great times & memories. Remember 7th grade that long haired hippy and the chubby green haired girl? That was you and me. Babe! Few years past and we became very close. I don't think my high school life would be as happenin' without you. Remember that party we just vegged out by the amp... we were zonem. Oh how about our great 4th of July in Indio, or the nite we slept in your Jimmy, what about Hollywood with Tracie, ("Are we still in Hwd.") Those were some great moments and I'll

never forget you! TL Crew! Luv Ya Lotz, Tina

From the day I met Jennifer I knew she was destined to be the editor of the Eternal Flame. She had all of the prerequisites that were needed: intelligence, artistic ability and eagerness to work hard. Well, two of the three isn't bad. We began the year and Jen seemed to work hard — when she was here. We made our deadlines for the color and now it's on to the B/W pages. Jen likes to go off campus for lunch and attend classes when convenient. I sure hope we get our book on time. Maib

Jenny, whom I call Jen-Dog, and I have had a lot of great memories in the past 2 years. She has been a best friend to me, and we've been each others counselors through

the good and bad times! Whether it was complaining about school or guys or DWL in "Jen's Jim", we've always seemed to have rad times! Though graduation approaches and we will go our separate ways, I know that our friendship will last forever. Renny

Hey Chris,
 I'm glad we could share
 Mrs. Emard together this year.
 To bad we sat so far apart.
 But at least we we're in the
 same class. Have a fun summer
 & I'll see ya at the beach and
 at some parties. Ah

CHRIS - AFTER EMARD WE KNOW
 WE CAN SURPASS ANY OBSTACLE.
 YOU HAD IT EASY SITTING IN
 THE BACK CORNER, BUT I
 HAD TO SIT IN THE FRONT
 AND HAVE HER PACE DIRECTLY
 IN FRONT OF ME. NOW THAT

my daily picture is
 over I can let myself
 go. I'm glad you were
 in my class and
 maybe next year we
 can have another
 without EMARD!

Chris,

Hi! Well we made it
 yes in three days we are
 send's believe it I don't
 I can't believe it + we were
 three years already. Onu
 was in old school to
 meet you this year. You
 are a totally sweet diva!
 I think you and Jon make
 the perfect couple and would
 always stay together. I hope
 we were some couples together
 next year. We will be
 become better friends. Now I
 hope you have a good summer
 and don't forget to write me
 some in letters. We will write
 I'll see you at the beach

Love

Chris.
I'm really glad we are
still friends. Good luck
next year. Big senior
have a great summer.
That's cool we will
have pre-algebra together
in the summer. Then we
can go to the beach. I'm
the summer case me so
we can go out. Thanks
for listening to me about
dadd. I really need to
talk about it maybe
we can become better
friends. Love you

Cris,

Your so nice, you've been helpful with Jeff too. Maybe someday I'll be able to forget about him. So far - so good. John & you better stay together, he's real sweet. English was a huge joke! Mrs. Emard, she's a basket case! Have a great summer keep in touch

Chris,

Well, due know you and 8th grade, we're both chomped out, through your changes you have stayed as nice as you were when I first met you. I hope I hear you in a class next year. Good luck this summer, have a good time.

See you around
Jim

Cris,

HOWS IT GOING? HOPE YOU HAVE A GREAT SUMMER! I KNOW YOU AND JOHN HAVE SOME ROUGH TIMES ONCE IN A WHILE. I KNOW JOHN WOULD NEVER DO ANY THING TO HURT YOU. HE'S A GREAT GUY. EVEN THOUGH WE DONT SPEND ALOT OF TIME TOGETHER I KNOW HIM PRETTY GOOD. HE LISTENS TO MY PROBLEMS. SOME TIMES HE TELLS ME HIS. NEITHER TRUST EACH OTHER THAT WERE NOT GONNA TELL ANY BODY. I WISH WE SPENT MORE TIME TOGETHER SO MAY BE THE 4 OF US COULD GO OUT AND DO SOMETHING. AS I SAID BEFORE JOHN IS A GREAT GUY AND YOUR A GREAT PERSON TOO AND I HOPE YOU GUYS STAY HAPPY. CUZ I KNOW JOHN IS CRAZY ABOUT YOU! HE ALWAYS TELLS ME THAT LOVE

(Biology)

Chris,
it's party time, wake up, its summer. its been great having ya in Bio, ya know ya really shouldn't cheat that much. Do you cheat in all of your classes or is it only Bio. The football season was pretty fun don't ya think. To bad ya couldn't go out for varsity cheer, but life's a beech. Well, have a great summer and hope to see ya at the beech or at a party.

Jerry

Chris,
I don't
have so
much
reading
to do
this
summer.

Cris,
lets been great knowing you through this year, sorry I haven't been that helpful, but next year if I have you in one of my classes, I'll help you a lot more.
You've been a great friend.
Paul Kim

Cris
Well, we finally made it through Biology uh! With a little help from "Cheat Sheets" Oh well who cares it was just a little help uh. You know I'm sort glad I know you but then who doesn't uh?
Well, I'm running out of space.
Take care!

CRIS,
IT WAS
GREAT HAVING
YOU IN BIOLOGY.
IM GLAD WE MET

Cris,
English was really enjoyable,
Mrs. Emard is probably my best
teacher I have. (really she
is a paper mushroom.) Have
a lot of fun in the summer with
John. You better get ready for next
week because the guys are planning
a little motel party.

Chris,

Hey Baby! well it was
a lot of fun checking with you
for T.V. To Bad I can't cheer with
you next year. Congrad on Softball
I hope you guys go all the way
next year. This year T.V.'s really
ruled. Magic Mountain 6th place
Yeah. What fun that was. Bob
was so cool. Next year we'll be
Big Seniors Yeah. One more
year! Have a fun summer.
Good luck with you and John
If you really love him, don't
lose him.
